RAPID DEPLOYMENT

MICROSOFT DYNAMICS BUSINESS CENTRAL CHURCH FINANCIAL MANAGEMENT & CRM

RAPID DEPLOYMENT

The landscape of consulting is changing significantly. Customers are less interested in services and more interested in solutions. At Axtegrity Consulting, our philosophy is quite simple, perfect a solution and deliver it to the marketplace quickly and reliably, eliminating unnecessary costs.

Built on the Power of Microsoft D365, D365 Church Management & CRM solution by Axtegrity is designed to bridge the gap between technology and affordability by creating solutions with the specific needs of churches and faith-based organizations in mind. We've made this our mission.

Included in the Rapid Deployment of the Church Financial Management & CRM solution are the following deliverables:

- Financial Management (including AP, AR & Banking)
- Standard financial reporting
- D365 CRM for Churches Integration & set-up
- Fundraising/Marketing Campaigns
- Track Pledges/Giving
- Family/Congregation Database
- Volunteer Management
- Dashboard
- Data conversion (Members, Vendors, open AP, open AR, GL (1 year of history), Chart of Accounts)
- Web/live remote training

Not included in the Church Financial Management & CRM solution are the following:

- 3rd Party Integrations
- Customizations

Benefits of our Church Financial Management & CRM Services:

- Rapid Deployment
- Predictable Costs
- Less Customization Requirements
- Higher Success Rate
